

Scientific projects of 2013

Funding programme	Title	Related project participants
Fonds voor Wetenschappelijk Onderzoek	KP-FWO nanobody	Katja Polman , ITM promotor Internal participant
	De impact van artesunate amodiaquine herbehandeling en malaria immuniteit op malaria parasiet selectie.	Umberto D'Alessandro , ITM promotor Internal participant
	De invloed van genetische diversiteit in Schistosoma parasieten op infectie- en ziektepatronen in de mens.	Katja Polman , ITM promotor Internal participant
	De kloof overbruggen: Leishmania als paradigma voor het onderzoek naar de impact van genoomdiversiteit op metaboolomvariatie.	Jean-Claude Dujardin , ITM promotor Internal participant
	Een beter begrip van HIV transmissie door isolatie en karakterisatie van HIV uit semen	Kevin Ariën , ITM promotor Internal participant
	High throughput analyse van Taenia excretie/secretie produkten voor een verbeterd inzicht in gastheer-parasiet interacties en optimalisatie van immunodiagnostische testen in taenia solium cysticercose	Pierre Dorny , ITM promotor Internal participant
	In vivo transductie van dendritische cellen met mRNA voor de ontwikkeling van een immunotherapie	Kevin Ariën , ITM promotor Internal participant
	Krediet aan navorsers	Anna Rosanas-Urgell , ITM promotor Internal participant
	Krediet aan navorsers	Philippe Büscher , ITM promotor Internal participant
	Trypanosome-binding proteins in the tsetse fly saliva favour the parasite transmission	Jakke Van Den Abbeele , ITM promotor Internal participant , P. De Baetselier , Partner, Vrije Universiteit Brussel, Belgium External participant , Jakke Van Den Abbeele , ITM promotor Internal participant
	To evaluate the most accurate, rapid and economic alternative diagnostic method for tuberculosis detection in resource-constrained settings	Patrick Van der Stuyft , ITM promotor Internal participant , Tullia Battaglioli , Partner, Belgium External participant , Francine Matthys , Researcher Internal participant , EVERAERT Renilde , Administrator, ITM, Belgium External participant , Patrick Van der Stuyft , ITM promotor Internal participant
	Een alternatieve manier voor een betere diagnose van multiresistente tuberculose : een snelle diagnostische test en een predictiescore	Robert Colebunders , ITM promotor Internal participant

Funding programme	Title	Related project participants
	Genotypische & fenotypische karakterisering van rec. Sex. overgedragen HIV	Kevin Ariën , ITM promotor Internal participant
	Protective immunity after stop of HAART	Kevin Ariën , ITM promotor Internal participant
CISO vzw	'Prise en charge du diabète en RD Congo'	Geert Laleman , Administrator Internal participant , Bart Criel , Coordinator Internal participant , Dirk Van der Roost , ITM promotor Internal participant , Josefien Van Olmen , Researcher Internal participant , Renilde Everaert , Administrator Internal participant , Dirk Van der Roost , ITM promotor Internal participant , Eric Florence , Coordinator Internal participant , Tom Platteau , Researcher Internal participant , Laura Albers , Researcher Internal participant , Bwalya Mwali , Researcher Internal participant , Elke Baeten , Administrator Internal participant
Vlaams Agentschap Zorg & Gezondheid	Promoten van seksuele gezondheid en de preventie van hiv bij SAM	Christiana Nöstlinger , Coordinator Internal participant , Lazare Manirankunda , Researcher Internal participant , Jasna Loos , Researcher Internal participant , Bwalya Mwali , Researcher Internal participant , Renilde Everaert , Administrator Internal participant , Monique Ceulemans , Administrator Internal participant , Zonder voornaam Mukwela Behuhuma , Other Internal participant
UBS Optimus Foundation	Differential diagnosis of Buruli ulcer	Bouke de Jong , ITM promotor Internal participant

Funding programme	Title	Related project participants
Diverse funders	STOP Buruli	Françoise Portaeis , ITM promotor Internal participant
	Stop Buruli, Benin fase II	Bouke de Jong , ITM promotor Internal participant
	Stop Buruli, fase II	Bouke de Jong , ITM promotor Internal participant
	P. vivax control in Central Vietnam	Umberto D'Alessandro , ITM promotor Internal participant
	PB-sofi Stijn Deborggraeve	Philippe Büscher , ITM promotor Internal participant , Saskia Decuypere , ITM promotor Internal participant , Stijn Deborggraeve , Researcher Internal participant , T. Leclipteux , Partner, Coris BioConcept Gembloux, Belgium External participant , Jan Jacobs , ITM co-promotor Internal participant , Benedikt Ley , ITM co-promotor Internal participant , K. Gevaert , Partner, Vlaams Instituut voor Biotechnologie (VIB) Gent, Belgium External participant
	JVDA-sofi TRIPARTITE	Jakke Van Den Abbeele , ITM promotor Internal participant
	A Directed Search for a Treponema pallidum Antigen Test	Christopher Kenyon , ITM promotor Internal participant
	JCD-sofi SINGLE	Jean-Claude Dujardin , ITM promotor Internal participant
	SOFI EWI Co-financiering EMJD Trans Global Health	Ann Verlinden , ITM promotor Internal participant
	ARU-sofi Band3Malaria	Anna Rosanas-Urgell , ITM promotor Internal participant
	From genome to the field: a global study of pathogen genetic and metabolic diversity and its relationship to clinical phenotypes	Jean-Claude Dujardin , ITM promotor Internal participant
	Long-term WIFS and malaria risks in early pregnancy : a randomised controlled trial	Sabine Gies , Administrator Internal participant , Umberto D' Alessandro (Umberto D'Alessandro) , ITM promotor Internal participant , Dr. Brabin L. , Partner, University of Manchester External participant , Tinto HALIDOU , Partner, Institut de

Funding programme	Title	Related project participants
		Recherche en Science de la Sante (IRSS/DRO), Burkina Faso External participant , Bernard BRABIN , Partner, Liverpool School of Tropical Medicine (LSTM), United Kingdom External participant
	Secondaire Onderzoeksfondsen - Volksgezondheid Subsidie overeenkomst wetenschappelijk onderzoek 1 juli 2008 - 31 december 2012 tsn de Vlaamse Gemeenschap en het Instituut voor Tropische Geneeskunde	Patrick Van der Stuyft , ITM promotor Internal participant , Renilde Everaert , Administrator Internal participant
	EWI Deelname meetings EOR	Ann Verlinden , ITM promotor Internal participant
	HIV-susceptibility	Luc Kestens , ITM promotor Internal participant , Wim Jennes , Researcher Internal participant
	The complete in vitro Plasmodium vivax cycle as a first step for understanding its biology and identifying new therapeutic targets.	Chantal Van Overmeir , Coordinator Internal participant , Jan Van Den Abbeele (Jakke Van Den Abbeele) , Coordinator Internal participant , Annette Erhart , Coordinator Internal participant , Marc Coosemans , Coordinator Internal participant , Umberto D'Alessandro , ITM promotor Internal participant , Peter VAN DEN EEDE , Coordinator, ITM, Belgium External participant
Federaal Wetenschapsbeleid	LR - BCCM Biobank	Leen Rigouts , ITM promotor Internal participant , Bouke de Jong , ITM promotor Internal participant
	JCD-IUAP VII-Leish	Jean-Claude Dujardin , ITM promotor Internal participant
	JVDA-IUAP VII-Tryp	Jakke Van Den Abbeele , ITM promotor Internal participant
	JCD-BELSP0	Jean-Claude Dujardin , ITM promotor Internal participant
	BCCM Enterprise Resource Planning / Laboratory Information Management System : vijfde fase	Bouke de Jong , ITM promotor Internal participant
	Cholera Outbreaks at Lake Tanganyika	Jan Jacobs , ITM promotor

Funding programme	Title	Related project participants
EDCTP	Induced by Climate change ?	Internal participant
	Het ontwikkelen van publieke cultuurverzamelingen van diatomeeën, polaire cyanobacteriën en mycobacteriën in België	Bouke de Jong , ITM promotor Internal participant , Leen Rigouts , Coordinator Internal participant
	Preparing for clinical trials of interventions to improve the reproductive health of adolescent girls in sub Saharan Africa	Anne Buvé , ITM promotor Internal participant
	Preparing for clinical trials with vaginal rings that protect women from HIV and unintended pregnancy	Tania Crucitti , ITM promotor Internal participant
	Preventing tuberculosis-associated immune reconstitution inflammatory syndrome in high-risk patients : a randomised placebo-controlled trial of prednisone	Graeme Ayton Meintjes , Coordinator, University of Cape Town, South Africa External participant , Lutgarde Lynen , ITM promotor Internal participant , Robert Colebunders , Researcher Internal participant , Robert John Wilkinson , Partner, Imperial College London, United Kingdom External participant , Gary Maartens , Partner, University of Cape Town, South Africa External participant , Elke Baeten , Administrator Internal participant
	Safe and efficacious artemisinin-based combination treatments for African pregnant women with malaria.	Umberto D'Alessandro , ITM promotor Internal participant
	Special populations and label expansion studies with the fixed dose combinations artemether-lumefantrine, etc in Zambia, Malawi and Mozambique	Umberto D' Alessandro (Umberto D'Alessandro) , ITM promotor Internal participant , V. CHALWE , Partner, Tropical Disease Research Centre (TDRC), Zambia External participant
	Prevention of early mortality by presumptive tuberculosis treatment in HIV infected patients initiating antiretroviral therapy	Robert Colebunders , ITM promotor Internal participant , Ndama TRAORE Afsatou , Partner, Albert Schweizer Hospital, Gabon External participant , Davy KOMBILA Ulrich , Partner, Albert Schweizer Hospital, Gabon External participant , Matthis FRANK , Partner, Universitaetsklinikum Tuebingen, Germany

Funding programme	Title	Related project participants
		External participant , Josefo FERRO, Partner, Catholic University of Mozambique, Mozambique External participant , Ramiro MANUEL Isaias, Partner, Ministry Of Health, Prov. Health Dir.of the Sofala Province, Mozambique External participant , Zinhle MAKATINI, Partner, University of Limpopo Medunsa Campus, South Africa External participant , Marinus PRINS Jan, Coordinator, Academic Medical Centre, Amsterdam, Netherlands External participant , Frank VAN LETH, Partner, KNCV Tuberculosis Foundation, Netherlands External participant , M.A. LANGE Joep, Coordinator, Academic Medical Centre, Amsterdam, Netherlands External participant , P. GROBUSCH Martin, Coordinator, Academic Medical Centre, Amsterdam, Netherlands External participant , Nadine PAKKER, Partner, Stichting AMC, Uganda External participant , William WORODRIA, Partner, Makerere University, Uganda External participant , Yukari MANABE, Partner, Infectious Disease Institute (IDI), Uganda External participant , Roy MUGERWA, Partner, Makerere University, Uganda External participant
	Impact of the clinical trials on the health behaviours of the communities and the quality of the health services in West and East Africa	Umberto D`Alessandro (Umberto D'Alessandro), ITM promotor Internal participant , Koen Peeters, Researcher Internal participant
	Characterisation of novel microbicide safety biomarkers in East and South Africa.	Dr MANDALIYA Kishor, Coordinator, International Center for Reproductive Health, Kenya External participant ,

Funding programme	Title	Related project participants
		Anne Buvé , ITM promotor Internal participant , Veronica Jespers , Researcher Internal participant , Marleen TEMMERMAN , Partner, Universiteit Gent, Belgium External participant , Joseph VYANKANDONDERA , Partner, PROJET UBUZIMA, Rwanda External participant , Dr MOYES Jocelyn , Partner, Reproductive Health Research Unit, Johannesburg Nat.Office, South Africa External participant , Dr CHANGALUCHA John , Partner, MITU/NIMR, Mwanza Centre, Tanzania, United Republic of External participant , Janneke VAN DE WIJGERT , Partner, Academic Medical Centre, Amsterdam, Netherlands External participant , S. MCCORMACK , Partner, Medical Reserach Council, United Kingdom External participant , Prof. HAYES Richard , Partner, London School of Hygiene & Tropical Medicine (LSHTM), United Kingdom External participant
World Health Organisation	WHO_KF_APW-TSA	Catharina Fransen , Coordinator Internal participant , Tania Crucitti , Researcher Internal participant , Anne Van der Meer , Administrator Internal participant
	Multicenter RCT of gatifloxacin-containing short-course regimen for the treatment of pulmonary tuberculosis	Bouke de Jong , ITM promotor Internal participant
	Support to the supranational reference laboratory at ITM	Bouke de Jong , ITM promotor Internal participant
	Small-scale evaluation of the efficacy and residual activity	Marc Coosemans , ITM promotor Internal participant
	Support to the supranational reference laboratory at ITM	Bouke de Jong , ITM promotor Internal participant
	WHOPES large-scale testing and evaluation netprotect	Marc Coosemans , ITM promotor Internal participant
IWT	SialoTarg: advanced vaccines and pharmaceuticals targeted to	Bouke de Jong , ITM co-promotor Internal participant

Funding programme	Title	Related project participants
	macrophages via sialoadhesin	Hans Nauwynck, Partner, PROVAXS, Lab Virology, Parasitology & Immunology, UGhent, Belgium External participant Dirk Elewaut, Partner, IZIZ (Dept. Internal Med.), UGhent, Belgium External participant Piet Stinissen, Partner, BIOMED, University of Hasselt, Belgium External participant Leen Rigouts, Researcher, Unit Mycobacteriology, BMS, Institute of Tropical Medicine, Belgium External participant
IAV		Dirk Geysen, ITM promotor Internal participant Abdelkebir RHALEM, Coordinator, Institut Agronomique et Vétérinaire Hassan II, Morocco External participant
Belgische Technische Coöperatie	Marché de services relatif au suivi technique continu des programmes de santé en RDC	Bart Criel, ITM promotor Internal participant Valéria Campos da Silveira, Researcher Internal participant Renilde Everaert, Administrator Internal participant
RIZIV	ARL Resistentie bepaling 2012	Catharina Fransen , Coordinator Internal participant
Avia-Gis	VBORNET - European Network for Arthropod Vector Surveillance for Human Public Health	Marc Coosemans, ITM promotor Internal participant Wim Van Bortel, ITM promotor Internal participant
Family Health International	Phase III study to assess the role of Truvada in preventing HIV acquisition in women	Tania Crucitti, Coordinator Internal participant Catharina Fransen, ITM promotor Internal participant Yvette Baeten, Administrator Internal participant
Janssen Infectious Diseases	BDG - IWT Baekeland Nele Coeck	Bouke de Jong , ITM promotor Internal participant
A.N.R.S.	Karakterisatie nieuwe gp120 remmer	Kevin Ariën , ITM promotor Internal participant
The World Bank	Burundi results-based financing for health impact evaluation	Bruno Meessen , ITM promotor Internal participant
VAIS	Building institutional capacity at the Mozambique INS	Evelyn Depoortere , ITM promotor Internal participant

Funding programme	Title	Related project participants
Janssen R&D, LLC	Phase III placebo-controlled, double blind, randomized trial to evaluate the efficacy & safety of TMC207 in subjects with sputum smear-positive pulmonary infection with multi-drug resistant MDR-TB	Bouke de Jong , ITM promotor Internal participant
	Consultancy agreement	Bouke de Jong , ITM promotor Internal participant
	Laboratory service agreement	Bouke de Jong , ITM promotor Internal participant
Unicef Western & Central	Couverture universelle en Afrique 2.0	Bruno Meessen , ITM promotor Internal participant
UNFPA	UNFPA CIDA H4+	Vincent De Brouwere , ITM promotor Internal participant
MRC Laboratories Fajara	Towards strenghtening of the West African Node of excellence for TB, AIDS & malaria	Bouke de Jong , ITM promotor Internal participant
Damien Foundation Belgium	Studies, referentietaken en andere prestaties inzake Tuberculose en Buruli ulcus ten behoeve van Damiaanactie.	Bouke de Jong , ITM promotor Internal participant
	DF services	Bouke de Jong , ITM promotor Internal participant
	FDA descriptive	Bouke de Jong , ITM promotor Internal participant , Armand Van Deun , ITM promotor Internal participant
	Resistance mechanisms	Bouke de Jong , ITM promotor Internal participant , Leen Rigouts , Researcher Internal participant
	Tuberculosis: drug resistance surveillance 2009	Bouke de Jong , ITM promotor Internal participant
	Support to MSF tuberculosis projects	Bouke de Jong , ITM promotor Internal participant
	BDJ - Union Trebucq study	Bouke de Jong , ITM promotor Internal participant
The Union	Technical assistance through lab services & operational research	Bouke de Jong , ITM promotor Internal participant
	The evaluation of a standardised treatment regimen of anti-tuberculosis drugs for patients with MDR-TB	Bouke de Jong , ITM promotor Internal participant
Koning Boudewijnstichting	Action research with sub-Saharan African migrants (SAM) to improve HIV prevention through a better understanding of the HIV epidemic	Christiana Nöstlinger , ITM promotor Internal participant
Wetenschappelijk Instituut Volksgezondheid	Nationaal Referentielaboratorium SOA (2013)	Catharina Fransen , ITM promotor Internal participant
	Nationaal Referentielaboratorium SOA (2012)	Catharina Fransen , Coordinator Internal participant ,

Funding programme	Title	Related project participants
		Tania Crucitti , ITM co-promotor Internal participant ,
		Elke Baeten , Administrator Internal participant
Medical Research Council	MRC HEMA	Koen Peeters , ITM promotor Internal participant ,
		Umberto D'Alessandro , ITM promotor Internal participant ,
		Susan Dierickx , Researcher Internal participant ,
		Sarah O'Neill , Researcher Internal participant
	MRC PRINOGAM	Koen Peeters , ITM promotor Internal participant ,
		Umberto D'Alessandro , ITM promotor Internal participant ,
		Sarah O'Neill , Researcher Internal participant
European Commission	The impact of alternative care integration strategies on Health Care Networks' performance in different Latin American health systems	Luisa Vazquez , Coordinator, Consorci de Salut i d'Atenció Social de Catalunya, Spain External participant ,
		Jean-Pierre Unger , ITM promotor Internal participant ,
		Pierre De Paepe , ITM co-promotor Internal participant ,
		Patrick Van Dessel , ITM co-promotor Internal participant ,
		Susana Amparo , Partner, Colegio Mayor de Nuestra Señora del Rosario, Colombia External participant ,
		Isabella Samico , Partner, Instituto de Medicina Integral Prof. Fernando Figueira, Brazil External participant ,
		Maria Rejane Ferreira da Silva , Partner, Fundação Universidade de Pernambuco, Brazil External participant ,
		Pamela Eguiguren , Partner, Universidad de Chile, Chile External participant ,
		Angelica Ivonne Cisneros , Partner, Universidad Veracruzana, Mexico External participant ,

Funding programme	Title	Related project participants
		Mario Rovere , Partner, Universidad Nacional de Rosario, Argentina External participant , Fernando Bertolotto , Partner, Universidad de la Republica, Uruguay External participant
	Estimating the effective reproductive rate of M. Tuberculosis from changes in molecular clustering rates, to measure the impact of public health interventions on TB transmission	Bouke de Jong , ITM promotor Internal participant
	Therapeutic TriMix/Mrna BASED Vaccine in Chronic HIV-1 Infected Patients Receiving Antiretroviral Therapy	Guido Vanham , ITM promotor Internal participant , Kevin Ariën , ITM promotor Internal participant , Felipe Garcia , Partner, IDIBAPS, Spain External participant , Kris Thielemans , Partner, VUB, Belgium External participant , Rob Gruters , Partner, EMC, Netherlands External participant , Christian Brander , Partner, IRSICAIXA, Spain External participant , Mireia Manent , Partner, SYNAPSE, Spain External participant
	COST TD1302 - European network on Taeniosis/Cysticercosis	Pierre Dorny , ITM promotor Internal participant
	Implementation and coordination of a regional training programme	Tanguy Marcotty , ITM promotor Internal participant
	Symbiotic bacteria as a delivery system for nanobodies that target the insect-parasite interplay	Jakke Van Den Abbeele , ITM promotor Internal participant
	Communit-based scheduled screening and treatment of malaria in pregnancy for improved maternal and infant health : a cluster-randomized trial	Koen Peeters , ITM promotor Internal participant
	Joint action improving quality in HIV prevention	Marie Laga , ITM promotor Internal participant
	Care package for treatment and control of visceral leishmaniasis in East Africa	Manica Balasegaram , Coordinator, Drugs for Neglected Diseases initiative (DNDi), Switzerland External participant , Lutgarde Lynen , ITM promotor Internal participant , Johan Van Griensven , Researcher

Funding programme	Title	Related project participants
		Internal participant , Raffaella Ravinetto , Researcher Internal participant , Sally Ellis , Partner, Drugs for Neglected Diseases initiative (DNDi), Switzerland External participant , Monique Wasunna , Partner, Drugs for Neglected Diseases initiative (DNDi), Switzerland External participant , Ed Zijlstra , Partner, Drugs for Neglected Diseases initiative (DNDi), Switzerland External participant , Tansy Edwards , Partner, London school of hygiene and tropical medicine (LSHTM), tropical epidemiology group, United Kingdom External participant , Neal Alexander , Partner, London school of hygiene and tropical medicine (LSHTM), tropical epidemiology group, United Kingdom External participant , Koert Ritmeijer , Partner, Médecins Sans Frontières-Holland (MSF), Netherlands External participant , Ahmed Mudawi Musa , Partner, IED - Institute of endemic diseases, university of Khartoum, Sudan External participant , Ermias Diro , Partner, College of medicine and health sciences, university of Gondar Hospital, Ethiopia External participant , Sisay Yifru , Partner, College of medicine and health sciences, university of Gondar Hospital, Ethiopia External participant , Elke Baeten , Administrator Internal participant
	Universal coverage in Tanzania and South Africa : Monitoring and evaluating progress	Marleen Boelaert , ITM promotor Internal participant
	European & South African HIV co-infection research consortium	Robert Colebunders , ITM promotor Internal participant
	Syndromic approach to neglected infectious diseases (NID) at primary health care level : an international	Marleen Boelaert , ITM promotor Internal participant

Funding programme	Title	Related project participants
	collaboration on integrated diagnosis-treatment platforms	
	Syndromic approach to neglected infectious diseases (NID) at primary health care level : an international collaboration on integrated diagnosis-treatment platforms Zie project 316801	Emmanuel Bottieau , ITM promotor Internal participant
	Syndromic approach to Neglected Infectious Diseases (NID) at primary health care level: an international collaboration on integrated diagnostic-treatment platforms	Philippe Büscher , ITM promotor Internal participant
	Zie project 316802	Raffaella Ravinetto , ITM promotor Internal participant
	Training of the One Health Next Scientific Generation in the Sahel and Maghreb	Tanguy Marcotty , ITM promotor Internal participant
	Advocacy for the fight against neglected zoonotic	Christopher Saarnak , Coordinator, University of Copenhagen (UCPH), Denmark External participant , Pierre Dorny , ITM promotor Internal participant , Tanguy Marcotty , ITM promotor Internal participant , Guy Hendrickx , Partner, Avia-GIS, Belgium External participant , Samson Mukaratirwa , Partner, University of KwaZulu-Natal, South Africa External participant , Sue Welburn , Partner, University of Edinburgh, United Kingdom External participant , Esther Schelling , ITM promotor, Swiss Tropical and public Health Institute, Switzerland External participant
	Combined Highly Active Anti-Retroviral Microbicides	Anne Buvé , ITM promotor Internal participant
	Combined Highly Active Anti-Retroviral Microbicides	Kevin Ariën , ITM promotor Internal participant
	Harmonizing Integrating Vitalizing European Research on AIDS/HIV	Bruno Gryseels , ITM promotor Internal participant
	Socially inclusive health care financing in West Africa and India - Financing health care for inclusion	Bart Criel , ITM promotor Internal participant
	European Research Infrastructure on Highly Pathogenic Agents	Bouke de Jong , ITM promotor Internal participant

Funding programme	Title	Related project participants
	Building a research and education infrastructure for Africa	Lutgarde Lynen , ITM promotor Internal participant
	Pan-European network for the study and clinical management of drug resistant tuberculosis	Bouke de Jong , ITM promotor Internal participant
	Assessing the impact of fee exemption on maternal health in West Africa and Morocco: new tools, new knowledge	Vincent De Brouwere , ITM promotor Internal participant , Bruno Meessen , Researcher Internal participant , Bruno Marchal , Researcher Internal participant , Fabienne Richard , Researcher Internal participant , Catherine Korachais , Researcher Internal participant , Karen Van der Veken , Researcher Internal participant , Catherine Lucet , Researcher Internal participant
	Integrated control of neglected zoonoses: improving human health and animal production through scientific innovation and public engagement	Pierre Dorny , ITM promotor Internal participant , Stanny Geerts , ITM promotor Internal participant , Guy HENDRICKX , Partner, Avia-GIS, Belgium External participant , Stig THAMSBORG , Partner, University of Copenhagen, Denmark External participant , Anne-Françoise PETAVE , Partner, Université Claude Bernard, France External participant , Franck BOUE , Partner, Agence française de Sécurité Sanitaire des Aliments, France External participant , Irmgard MOSER , Partner, Friedrich-Loeffler-Institut, Germany External participant , John MCDERMOTT , Partner, International Livestock Research Institute, Kenya External participant , Saidou TEMBELY , Partner, Central Veterinary Laboratory, Bamako, Mali External participant ,

Funding programme	Title	Related project participants
		Allal DAKKAK, Partner, Institut Agronomique et Vétérinaire Hassan II, Morocco External participant , Sonia AFONSO, Partner, Universidade Eduardo Mondlane (EMU), Mozambique External participant , Reuben OCHOLI, Partner, National Veterinary Research Institute, Nigeria External participant , Margarida CORREIA-NEVES, Partner, University of Minho, Portugal External participant , John HARGROVE, Partner, University of Stellenbosch, South Africa External participant , Ignacio MORIYON, Partner, University of Navarra, Spain External participant , Gunilla KAELENIUS, Partner, Karolinska Institute, Sweden External participant , Marcel TANNER, Partner, Swiss Tropical Institute, Switzerland External participant , Rudovic KAZWALA, Partner, Sokoine University of Agriculture, Tanzania, United Republic of External participant , David KABASA John, Partner, Makerere University, Uganda External participant , Richard ROWLING, Partner, LAB901, Edinburgh, United Kingdom External participant , M. SCUDAMORE, Partner, University of Liverpool, United Kingdom External participant , Charles EISLER Mark, Coordinator, University of Edinburgh, United Kingdom External participant , Isaac PHIRI, Partner, University of Zambia, Zambia External participant , Pierre Dorny, ITM promotor Internal participant
	Health equity and financial protection in	Wim Van Damme , ITM promotor

Funding programme	Title	Related project participants
	Asia	Internal participant , Kristof Decoster, Researcher Internal participant , Bruno Meessen, Researcher Internal participant , Catherine Korachais, Researcher Internal participant , Sudarno SUMARTO, Partner, YAYASAN SMERU, Indonesia External participant , Emmanuel DE DIOS, Partner, UPECON FOUNDATION INC., Philippines External participant , Weerasak PUTTHASRI, Partner, International Health Policy program Foundation, Thailand External participant , Louk DE LA RIVE, Partner, Institute of Social Studies, Netherlands External participant , Dao Huyen Thanh, Partner, Research & Development Center for Community Health Strategy, Viet Nam External participant
	Identification and development of vaccine candidates for Buruli Ulcer Disease	Bouke de Jong , ITM promotor Internal participant
European Commission	Impact on equity of access and efficiency of Integrated Health care Networks (IHN) in Colombia and Brazil.	Luisa VASQUEZ, Coordinator, Consorti Hospitalari de Catalunya, Spain External participant , Jean-Pierre Unger, ITM promotor Internal participant , Pierre De Paepe, Researcher Internal participant , Patrick Van Dessel, Researcher Internal participant , Maria REJANE FERREIRA DA SILVA, Partner, Fundação Universidade de Pernambuco, Brazil External participant , Ssusana MOGOLLON AMPARO, Partner, Universidad del Rosario, Colombia External participant , Renilde Everaert, Administrator

Funding programme	Title	Related project participants
		Internal participant
	New tools for monitoring drug resistance and treatment response in visceral leishmaniasis in the Indian subcontinent	Bart Ostyn, Coordinator Internal participant , Ilse Maes, Coordinator Internal participant , Marleen Boelaert, Coordinator Internal participant , Saskia Decuypere, Coordinator Internal participant , Simonne De Doncker, Coordinator Internal participant , Jean-Claude Dujardin, ITM promotor Internal participant , (UA) MAES Louis, Partner, University of Antwerp, Belgium External participant , Manu VAN AERSCHOT, Coordinator, ITM, Belgium External participant , Jean-Claude DUJARDIN, Coordinator, ITM, Belgium External participant , Gabriele SCHOENIAN, Partner, Charite Universitätsmedizin Berlin, Germany External participant , Biometry) EICHNER Martin, Dr. (Dpt of Medical, Partner, University of Tübingen, Germany External participant , Lab) SALOTRA Poonam, Dr. (Molecular Biology, Partner, Indian Council for Medical Research, India External participant , Sciences) SUNDAR Shyam, Prof. (Institute of Medical, Partner, Banaras Hindu University (BHU), India External participant , Immunology) Roy Syamal, Prof. (Infectious Diseases and, Partner, Council for Scientific and Industrial Research, India External participant , Suman RIJAL, Partner, B.P. Koirala Institute of Health Sciences, Nepal External participant , Matt BERRIMAN, Partner, Wellcome Trust Sanger Institute, United Kingdom

Funding programme	Title	Related project participants
		External participant , Christiane HERTZ-FOWLER, Partner, Wellcome Trust Sanger Institute, United Kingdom External participant , Graham COOMBS, Partner, University of Strathclyde, United Kingdom External participant , Meriem OUAKAD, Coordinator, ITM, Belgium External participant
	Multi-drug resistance in malaria in combination therapy : assessment of specific markers and development of innovative, rapid and simple diagnostics	Umberto D' Alessandro (Umberto D'Alessandro), ITM promotor Internal participant , Tinto HALIDOU, Partner, Centre Muraz, Burkina Faso External participant , E. ENATO, Partner, Tropical Diseases Research Group, University of Benin, Nigeria External participant , J. BOUSEMA, Partner, Kilimanjaro Christian Medical Centre, Tanzania, United Republic of External participant , Dr VAN AMERONGEN Aart, Partner, Wageningen University and Research Centre, Netherlands External participant , Hendricus SCHALLIG, Coordinator, Koninklijk Instituut voor de Tropen (KIT), Netherlands External participant , Colin SUTHERLAND, Partner, London School of Hygiene & Tropical Medicine (LSHTM), United Kingdom External participant , C. DANKS, Partner, Forsite Diagnostics Limited, United Kingdom External participant
EC Institute for Health & Consumer Protection	Capacity building in combining targeted prevention with meaningful HIV surveillance among MSM-SIALON II	Marie Laga, ITM promotor Internal participant , Christiana Nöstlinger, Coordinator Internal participant , Wim Vanden Berghe, Researcher Internal participant , Veronica van Wijk, Administrator Internal participant

Funding programme	Title	Related project participants
		, Hristo Prof. TASKOV , Other, National Centre of Infectious and Parasitic Diseases, Bulgaria External participant
		, Anke Dr. ENGELBERT , Administrator, Robert Koch institut, Germany External participant
		, Enrico MD GARACI , Other, Istituto Superiore di Sanità (ISS), Italy External participant
		, Sandro CAFFI , Other, Azienda Ospedaliera Università Integrata Verona, Italy External participant
		, Saulius MD PhD CAPLINSKAS , Other, Center for Communicable Diseases and AIDS External participant
		, Mirosław Prof. WYSOCKI , Other, NIZP - PZH, Poland, Poland External participant
		, Paulo FERRINHO , Other, Universidade Nova de Lisboa, Portugal External participant
		, Adrian Prof. STREINU - CERCEL , Other, National Institute of Infectious Diseases, Romania External participant
		, Jan STENCL , Other, Slovak Medical University, Slovakia External participant
		, Marija Ms. SELJAK , Other, National Institute of Public Health, Slovenia, Slovenia External participant
		, Angel Dr. GASSULL Miquel , Other, IGTP, Spain External participant
		, Candela CALLE , Other, Hospital Duran y Reynals, Spain External participant
		, Johan CARLSON , Other, Swedish institute for Infectious Disease Control, Sweden External participant
		, Stuart LAING , Other, University of Brighton, United Kingdom External participant

Funding programme	Title	Related project participants
		, Marie Laga , ITM promotor Internal participant
	Eurosupport VI: Developing a training and resource package for improving the sexual and reproductive health of people living with HIV/AIDS	Robert Colebunders , ITM promotor Internal participant , Christiana Nöstlinger , Researcher Internal participant , Veronica van Wijk , Administrator Internal participant , Ruth BORMS , Partner, Sensoa v.z.w., Belgium External participant , Alain LEGRAND , Partner, AIDES, France External participant , Johannes BOGNER , Partner, Max Van pettenkofer Insitute, Munich, Germany External participant , Caterina UBERTI-FOPPA , Partner, Fondazione Centro San Raffaele del Monte Tabor, Italy External participant , Zbignew IZDEBSKI , Partner, University of Zielona Gora, Poland External participant , Luis TAVIRA Tavora , Partner, Universidade Nova de Lisboa, Portugal External participant , Danica STANEKOVA , Partner, MOSTY AIDS, Slovakia External participant , Victoria GORDILLO , Partner, Universidad Complutense de Madrid, Spain External participant , Gerjo KOK , Partner, Maastricht University, Netherlands External participant , Agnes KOCSIS , Partner, Central and North West London NHS Foundation Trust, United Kingdom External participant
Federale Overheidsdienst Volksgezondheid	Risico voor de veiligheid van de voedselketen op introductie van schadelijke insecten en ziekte overdragende vectoren via het internationaal verkeer	Dirk Berkvens , ITM promotor Internal participant
	Evaluatie en impactbepaling van post mortem detectiemethoden voor	Pierre Dorny , ITM promotor Internal participant

Funding programme	Title	Related project participants
	rundercysticerose	
Vlaamse Overheid, Departement Economie, Wetenschap & Innovatie	Social Innovation in Public Health Impulse (SIPHI) fellowship programme	Wim Van Damme , ITM promotor Internal participant
I.L.R.I.	Global Development Grant Number OPP1078791 "Improved vaccines for the control of East Coast Fever in cattle in Africa"	Dirk Berkvens , ITM promotor Internal participant
Institute of Medical Sciences	Visceral leishmaniasis in Bihar State, India	Marleen Boelaert , ITM promotor Internal participant
Equilibres & Populations	Défi jeunes	Serge RABIER , Coordinator, Equilibres et Populations, France External participant , Vincent De Brouwere , ITM promotor Internal participant , Dominique Dubourg , ITM co-promotor Internal participant , Bruno Marchal , Researcher Internal participant , Fabienne Richard , Researcher Internal participant , Renilde Everaert , Administrator Internal participant
World Health Organization	Assessment of HIV virological assays for prequalification (Phase I)	Catharina Fransen , ITM promotor Internal participant
	Evaluation of operational characteristics of HIV assays	Catharina Fransen , ITM promotor Internal participant
JANSSEN R&D IRELAND	Research collaboration on microbicides	Kevin Ariën , ITM promotor Internal participant
	Opzegging contract GVH dd 23/06/2011	Guido Vanham , ITM promotor Internal participant , Kevin Ariën , ITM promotor Internal participant
London School of Hygiene and Tropical Medicine	BDJ - EDCTP RAFA	Bouke de Jong , ITM co-promotor Internal participant , Corinne Merle , Partner, LSHTM, London, United Kingdom External participant , Martin Gninafon , Partner, Centre National Hospitalier de Pneumo- Phtisiologie, Cotonou, Benin External participant , Oumou Bah Sow , Partner, Service de Pneumo Phtisiologie, Conakry, Guinea External participant , Dr Lo , Partner, National TB Control Program, Dakar, Senegal

Funding programme	Title	Related project participants
		External participant , Helen McIlleron , Partner, University of Cape Town, Division of Clinical Pharmacology, Cape Town, South Africa External participant , Andre Furco , Partner, UCL, London, United Kingdom External participant , Tatiana Galperine , Partner, Hôpital Tenon, France External participant
